Application for Membership

The Friends of Foxley volunteer group was founded in 1992 to work in partnership with the the London Borough of Croydon to maintain, enhance and manage Foxley Wood Nature Reserve for the benefit of local residents and visitors.

The difference we make is dependent on a small group of volunteers and we are always looking for new members to help us maintain current projects and commence new ones.

If you would like to assist us in sustaining this ancient woodland by helping on one of our workdays or by making a donation please complete the membership form below and send to:
